**8th May 2020:** [Mike B uploads a radio edit of the song, made by himself.](#) He doesn't seem to be aware of the song title as he got the file renamed. The filename is Pop.mp3, which is possibly just 欧美抒情高档Pop.mp3 without the chinese. He hasn't provided any info on the source of the file.

**26th May 2020:** [Mike B uploads the full version of the song. - q's re-upload](#)

**11th March 2024:** Mike B deletes his uploads. Noone knows why. He still hasn't given any info on the source of the file.

## 666c & 568:

The first known upload of Your Eyes was on 666c.

666c's official name is 今生缘音乐网 (Jinshengyuan Music Network)

The description of [新歌热舞 专辑 359](#) (your eyes comp) on 666c is:

"Jinshengyuan Music Network provides our friends with the latest DJ dance music"

666c has a multitude of mirrors and clones.

*(On a side note, [66yy](#) is an associated website of 666c which has a 疯狂DJ (fēngkuáng DJ) category matching the [your eyes cover filename](#), which has some high end lyrical pop compilations in the category. I'm not sure to what extent this is important, but something to note. It is also [www.9yy.com](#))*

## MAJOR UPDATE:

Hammer found an upload of the compilation on [568.com](http://568.com) after searching 今生缘音乐网 (Jinshengyuan Music Network) on Baidu. It also has the description “568 Entertainment Kingdom provides the latest DJ dance music to our friends” similar to 666c. I’m not sure if these are the same people as 666c or not, but now I’m unsure if 666c made this. [Someone in 2010 was asking about a High DJ song from Jinshengyuan that was on 568. Sounds alot like your eyes, so maybe it is from 666c? who knows](#)

## REAL2000 & 9YMP3:

[Real2000 stated they are a sister site of 9ymp3.com](#), note clicking on the ranking button on 9ymp3 sends you straight to a Real2000 mirror - [ww.real2000](http://ww.real2000.org) (not [www.real2000](http://www.real2000.org)).

9yMp3 encouraged users to set [ww.real2000](http://ww.real2000.org) as their homepage.

Note that on [older archives](#) of [ww.real2000](http://ww.real2000.org), it says Copyright (C) [www.real2000.org](http://www.real2000.org), and on [newer archives](#) it says Copyright © 2005 9yMp3.com.

[This version of the real2000 homepage has like 5 links redirecting to 9yMp3](#). It even has a search bar for searching 9yMp3.

<http://www.real2000.org/9ymp3.com> exists on real2000’s sitemap, it’s a redirect link to 9yMp3.

<http://9ymp3.com/real2000wma/2005> exists on 9yMp3’s sitemap (shows on sitemap but was not archived).

[Real2000 states you have to make a different account for real2000](#) and you can’t use your 9ymp3 account on real2000. This page also has redirects to the home page and register page on 9yMp3. These sites are obviously very closely linked, if not run by the same people.

9ymp3 is also [7mp3](#)

Due to the amount of mirrors and different closely related sites, I believe Real2000 and 9yMp3 are most definitely (imo) run by the same people who made these different sites in case they got hit with a cease and desist.

The 2008 archive of 新歌热舞 专辑 359 on Real2000 says “go to 9ymp3.com to enjoy this compilation”. It does not exist in earlier archives. It is possible the compilation was later uploaded to 9yMp3, but it is also possible this is just bs advertising.

I think finding 新歌热舞 专辑 359 on 9yMp3 is plausible.

# CHINA 57

I'm too busy to explain this properly, but ***your eyes was uploaded on china57 on the same day as 666c and 568. It also sold vinyls. Massive site with 480k daily users. SUPER IMPORTANT.*** Found by \_clifton\_.

# REGARDING FM120/ Aigeng/ HardNoise/ Mr.Alto/ ETC:

**ABSOLUTELY DO NOT CONTACT FM120 OR MIKE B!!! AT ALL!!! EVER!!!**

Huge update, FM120 is a collaboration between Aigeng and DJBPM, they are NOT the same person! FM120 may also be more than two people.

Mike B's File which is the highest available quality of your eyes is at 16kHz. FM120 somehow had 20kHz before Mike B, and is gatekeeping it. FM120's version is at a slower speed where Mike B's version is sped up.

FM120 is most likely behind the Gabry-L hoax. FM120 posted a HQ snippet of Your Eyes on the [4th of April 2020](#) with [a link to listen to it on music.163.com](#). On the same day [Johnson Paul finds the song on QQ](#). The [Gabry-L hoax was then posted](#) on the 15th of April 2020 to the same website by "haikempire". Then on the 21st of April 2020, haikempire posted the Gabry-L radio mix hoax [to music.163.com](#) and somehow on the same day (again) [Johnson Paul uploads it to youtube](#). The Gabry L uploads are the same quality as the QQ Music uploads.

Additionally Mike B's Radio Edit upload was close in proximity, on the 8th of May 2020. Having said that, Mike B is proven to be an absolutely real person and is not FM120.
