Privacy Policy for St. James Parish - Fremont

Effective Date: October 7, 2025

Last Updated: October 6, 2026

Divine Software Systems LLC (“we”, “our”, or “us”) built the St. James Parish - Fremont app as a free application. This SERVICE is provided by Divine Software Systems LLC at no cost and is intended for use as is.

Information Collection and Use

ParishConnect does not collect or store any personally identifiable information from users (such as names, email addresses, or phone numbers).

The app may request access to the internet to display parish information and provide access to public links such as Mass times, donation portals, announcements, and event pages.

We collect limited **anonymous analytics data** (such as page views, feature usage, and performance metrics) to improve app functionality and understand how parishioners engage with parish content.

If you choose to **allow tracking**, we may collect additional **aggregated and anonymized usage information** to help parishes and dioceses better understand engagement trends, improve communication, and plan parish operations more effectively.

We do not sell, rent, or share personal information. However, we may use, share, or sell **aggregated and anonymized data** — which cannot identify any individual user — for legitimate operational, research, and ministry development purposes.

Third-Party Services

The app may use third-party services that could collect information used to identify you. These include, but are not limited to:

- Google Maps (for displaying locations and directions)
- External links to parish websites or donation portals

We encourage users to review the privacy policies of any third-party services they access through ParishConnect.

Security

We value your trust in using our app. While no method of transmission over the internet or method of electronic storage is 100% secure, we strive to use commercially acceptable means to protect any data collected.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page, and the revised policy will take effect immediately upon posting.
