Dear Parents and Guardians,

Welcome to a new school year at YSCP! This message is to provide you with all of the information about the YSCP lunch program. All of our lunches are made to support a healthy, safe and enjoyable mealtime for the students. You are encouraged to visit www.yscp.org for monthly menus. The price of a student lunch will be $3.25.

Lunch will be available to all students who choose to purchase a lunch. Each lunch will include one entrée, fruit, vegetable side dishes and choice of chocolate or white milk. This year the students will eat in the MPR where all areas will be sanitized between the classes.

You may make payments to your child's lunch account, pay for field trips and pay the chrome book insurance online at https://payments.efundsforschools.com/v3/districts/56091 or you may mail or drop off checks to the YSCP Business office at 1530 Westerly Parkway, State College, PA 16801. Checks should be made payable to YSCP. When mailing payments, please be sure to include the name of the student(s) for whom the payment is intended, and a phone number for any questions.

No student will be denied a school lunch for a lack of funds. However, emails are sent to parents each month regarding their child's balance. We also encourage you to sign up for the low balance email alerts and payments through ww.payments.efundsforschools.com.

Applications for free and reduced price lunches will also be sent to each family and you are encouraged to complete the application and submit for approval.

Wishing all of our students the very best for the 2023-2024 school year. We hope that the nutritious and delicious lunches will supply the energy they need for success!

Please feel free to contact me if you have any questions or concerns.
