In some cases, whether or not explicitly noted, the Union's proposals are merely clarifications of existing rights and/or practices, and should not be taken as admissions that the Union does not already possess such rights or that the practices do not exist.

INTELLECTUAL PROPERTY

- A. **The University Policies on Intellectual Property, approved on June 13, 2002, attached hereto as Appendix [X] shall remain in effect for all Faculty with the exception outlined below.**
- B. **In the event that the University alters the Intellectual Property policy in a manner that makes it more beneficial to full-time faculty Faculty than the current policy, it will do the same for Faculty covered by this agreement.**
- C. **The University shall post Intellectual Property Policies on its website.**
