

Schedule for The Orders

We have tried to build in time for each of the Orders to meet. So they can talk among themselves. Get their Archives and their tasks completed. And also know when their specific mods will be run. There is a lot going on at this event and we want to make sure that everyone who is interested or connected to an Order has the ability to meet and go on these mods. Note:

You may still meet on your own outside of these times but you are guaranteed to have NPC support during your scheduled meeting time.
