

Nutcracker Loading Crew Notes

2018

Thank you for volunteering to help with the loading crew for this year's
Nutcracker!

Below are the various schedules for loading in and out. If you are unable to help as scheduled, please let the Volunteer Coordinator know ASAP (Elizabeth Parr 206-954-4929). During performance week you may need to call the Hering Auditorium Backstage number (456-7794, x 17628) in order to reach us.

Sets/Barres Load In Crew: Meet at Hering Auditorium on Saturday, November 24th at 9:00 am. Bring a pick-up truck or van if you have one, and cordless drills and work gloves are helpful. Some folks like knee pads for rolling down the flooring. Check with your Stage Crew Manager, Jim Baird, for details (388-7481). (Doughnuts... but maybe a little *after* 9:00!)

Sets/Props/Barres/Wardrobe Load Out Crews: Meet backstage at Hering Auditorium after the last performance (Sunday, December 2nd at 6:00 pm.) Again, trucks, vans, cordless drills and work gloves are a help.

Wardrobe Load In Crew: Meet at storage facility on Saturday, November 30th at noon. An empty car or van is helpful. Check with your Wardrobe Coordinator, Jen Danielson, for details (907-750-9607).

Props Load In and Dress Stage: Meet at Artisans Courtyard on Saturday, November 24th Time, TBA to retrieve most practice props; then go to the Costume Shop to get the rest. Wardrobe folks have the key. An empty car or van is helpful. Proceed to Hering to unload and dress stage. Get remaining practice props from NSB after Sat. rehearsal ends. Check with your Props Coordinator, Jen Armstrong, for details (907-978-3357).

Thanks so much for your part in the Nutcracker!
