

[*]= Plural is simply the abbreviation with an apostrophe and lowercase “s”

[x]= No plural

**= Not to be used within the story itself

Coord [Plural: Coords] (Noun):

Derivative of the word “coordinate”. Means any location on Earth altered by the Fall Of Regularity.

Used in a sentence:

“Don’t go to that coord.”

“These coords here are safe.”

** Digital Glossary [x] (Noun):

The list of Coords on the Emptyverse website.

**Dungeons & Douchebags [x] (Proper Noun):

A Discord server that plays D&D 5e. Run by Jakro Kristoph, the creator of The Emptyverse’s original concept.

EHR; Entity Hostility Rating [*] (Classification):

A nonspecific estimate of how safe you are around the entities in a coord.

Emptyverse [x] (Proper Noun):

The world the story takes place in. Planet Earth in the year 2021 and after.

Entity [Plural: Entities] (Classification):

Any object or creature only found after the world became the Emptyverse in 2021.

Used in a sentence:

“Would you happen to know what entity that is?”

“These entities are quite fascinating.”

EPL; Entity Population Level [*] (Classification):

A nonspecific estimate of how many entities may be in a coord.

**** Neocities [x] (Proper Noun):**

The website hosting the Emptyverse. If you ever talk to someone who works for them, act like a bootlicking asskisser so we don't get banned.

OS [*] (Classification):

An abbreviation for Ownership Status. The specification of a coord's ownership.

Pocket:

Similar to Coords but more like a microdimension accessible from various points across Earth. Generally the size of a singular building.
