

Good evening KES Families, this is Mr. Bryant with your Sunday Evening Message.

This Spring is absolutely flying by, and while the weather can't make up its mind on whether we should be freezing, burning up, or soaking wet, we are constantly moving closer and closer to the end of the school year! However, as we head that direction, there are SO MANY exciting events between now and then!

Good Friday, Easter Weekend, and school on 4/21

We begin with a short week this week, as school will be closed on 4/18 for Good Friday ahead of Easter Weekend. Importantly, Monday, April, 21st was originally a teacher workday, but because of inclement weather earlier this school year, it will now be a full student school day.
