RULES

- Please have a clear mic, or at the very least no background noise. This goes for hearable noises, mic bumps, and more. **You will have a better chance of obtaining a role.**
- Please be able to have a good range. This goes for crying, laughing, and screaming. **You will have a better chance of obtaining a role.**
- Please at least say the lines 2 - 3 times. I would like to hear your vocal range and how you would phrase it.
- You can audition for as many characters as you like! Please keep the audition length time under 15 minutes. If needed, please separate the auditions so as to not bypass the time limit.
- It is not mandatory, but I would prefer it if you have Discord. It is a free app and website, and if you need any help making one please reach out to me or search how to make one on Google. **If you are unable to have Discord, your chances will be slightly decreased. I will still connect on other social media sites, like Twitter or Instagram—but not as abundant as Discord.**

- You can post your auditions either in the auditions channel on Discord (yon#4579), email (mgrp.va.official@gmail.com), or post it on YouTube. (Please link, @, or notify me about the post.)
- Do not harass or annoy the selected voice actors if you aren't picked. It is rude and unnecessary to others. **If you do, you will get an immediate ban from the server, no matter who you are.**
- I would like a committed cast, but I will understand if something serious comes up and you have to leave. I am still a minor, so I understand if things come up. **Please tell me beforehand if you can.**
- Have a great time auditioning, and have fun. Do not stress.

Yocchan (Middle Schooler, Female)

Supporting Character \\ A great amount of lines! *Appears quite a number of times.)

Yocchan, Koyuki's friend in middle school.

She hangs out alot with Sumi and Koyuki. She's the skeptic of the three, and more down-to-earth than the others. She sometimes come across as harsh and mean, but she does it out of good intentions, honest.

██████████

“Sumiiii..are you still going on about that?”
(Whiny, Complaining, Bored)

“I shut you down because what you’re saying is stupid. If whoever posted it was actually involved, one of the gangsters or the mystery girl themselves are gonna do that. Doesn’t sound very believable now, does it?”
(Sceptic, Logical, Refuting)

“What she did was basically terrorism...”
(Muttering to one’s self)
