

WHAT: Protect Medicaid and Stop the Billionaire Giveaway Day of Action

WHEN: The 24hrs following Senate passage of the budget scam

WHAT: Tell your Congress Member to protect Medicaid, protect your communities, and vote NO on the billionaire tax giveaway.

Donald Trump and Republicans are selling out our communities and our families to make billionaires like Elon Musk even richer. The Senate is planning to ram through Trump's tax scam – handing billions to the ultra-wealthy while slashing health care, food assistance, and other programs that everyday Americans rely on to survive. After the Senate votes for this horrific bill, it will go back to the House for a final vote, possibly within 24hrs following the Senate's vote. **We may only have One Vital Day to make sure our Members of Congress hear from us that voting for this bill is a vote against the people they were elected to represent—it will genuinely harm 1000s of their own constituents and millions across the country.** This bill steals healthcare from millions, takes food out of the mouths of children in need, will shutter hospitals and destroy communities. Tell your Member of Congress that they CAN NOT choose to hurt us in order to give billionaires another yacht. Tell them to VOTE NO.

TAKE ACTION:

1. The day following the Senate vote, go to your local Congress Member's district office and tell them to protect Medicaid and VOTE NO on the billionaire giveaway. [Find your member's district office here](#)
2. Take a picture of you at your district office and share on social media, use the hashtags: #NoBillionaireBailout #StoptheCuts
3. Schedule an office visit or protest with friends and community members outside the office using [Mobilize](#)
4. Hold a candlelight vigil: Host/join advocates at your local congress member's office asking your members to protect healthcare and vote no on the billionaire bailout.
