

Salesforce Updates

- created connections for conferences to speakers/talks and trainers/courses
- https://docs.google.com/spreadsheet/ccc?key=0Ahl4iTO_QojvdC04X0FFdjg5RFZKMmVMbnFFSTdzOVE&usp=sharing Speakers report
- https://docs.google.com/spreadsheet/ccc?key=0Ahl4iTO_QojvdGw2d0RDMUI0WU9iQndaQmJ3RWFJV0E&usp=sharing Courses
- Connected Cvent and Salesforce to transfer membership information. This is effective moving forward for all contacts
- Created connections for projects to leaders, contributors, releases, grants
- Found MediaWiki plug in that will push static data from SF to the wiki. Need to work on this concept with Matt
- Created form for waspy nominations - will create one for Board self nominations as well

EU tour currently scheduled for 12 cities

Health insurance plan finalized with CF

Submitted application for EU payment gateway through Click and Pledge event system. this will integrate with SF and allow us to accept registrations in Euros and have them settle directly into the Europe account.

Setting up OWASP FAQ page from public solutions

Working with Cap One to identify a banking solution that allows online approval for checks and payments
