

Parents as Teachers Educator

Mrs. Amy McTheeney

Parents As Teachers is a free, voluntary program that serves families with children from prenatal to kindergarten entry. We provide home visits that meet the needs of your family and use a research-based curriculum. Every child is offered a developmental screening once per year to ensure your child is meeting developmental milestones. Group connections and access to a resource network are other benefits of participating in the program.

Let's schedule a visit today!
