PAPER MEASUREMENTS

- Cloud Cover (base): 4 1/4" x 11", scored in half at 5 1/2"
- Basic White (circle): 2" x 2"
- Basic White (inside): 4" x 5 1/4"
- Glimmer Paper (layer): 4" x 5 1/4"
- Glimmer Paper (snowflakes): 2" x 2"
- Glimmer Paper (inside): 3 1/2" x 2 3/4"

DIRECTIONS

1. Fold the Cloud Cover (base) in half on the score line.
2. Cut the large snowflake inset from the Glimmer Paper (layer) using the Snowflake Kisses Dies and the Stampin' Cut & Emboss Machine. I put the die on the white (back) side of the Glimmer Paper so it cuts through that more easily.
3. Adhere the Glimmer Paper (layer) to the card front using Multipurpose Liquid Glue.
4. Cut the circle from the Basic White (circle) using the circle die from the Snowflake Kisses Dies and the Stampin' Cut & Emboss Machine.
5. Stamp the sentiment on the Basic White (circle) using Secret Sea ink.
6. Adhere the Basic White (circle) to the card using Stampin' Dimensionals.
7. Cut the small grouping of snowflakes from Glimmer Paper (snowflakes) using the Snowflake Wishes Dies and the Stampin' Cut & Emboss Machine. Again, I cut the snowflakes from the back side.
8. Adhere the three smallest snowflakes from step #7 to the Basic White (circle) using Multipurpose Liquid Glue.
9. Put a Rhinestone Basic Jewel in the center of each of the snowflakes.
10. Cut the corner snowflakes in the Basic White (inside) using the Snowflake Kisses Dies and the Stampin' Cut & Emboss Machine.
11. Stamp the sentiment stamps on the Basic White (inside) using Secret Sea ink.
12. Adhere the Glimmer Paper (inside) to the back of the open snowflakes in the Basic White (inside) using Stampin' Seal.
13. Adhere the Basic White (inside) to the inside of the card using Stampin' Seal.
