Greet others, Prepare Meals, Write in Journal

# FEET

Can

Walk, Run, Dance, Take us where we need to go,  
Kick a ball, Climb stairs

# NOSE

Can

Smell, Breath

## Body Part Charades:

Print and cut out. Place in a bag. Allow a child to come and pick a card out of the bag. Child then acts out one of the things the body part can do, without using any words. The rest of the children need to guess the body part and what the action the body part is doing.
