Subj: 5 Simple Reasons You Need an Instant Box Garden ASAP

[Your Greeting],

Have you heard about the latest craze?

It's called Instant Box Gardening.

And there are so many reasons I'm excited about it...

It's the simple and trendy answer to so many of your gardening frustrations... **making gardening fun again!**

Here Are 5 Reasons You Need An Instant Box Garden

1. An Instant Box Garden is Fun, Creative, and Beautiful
Say goodbye to messy, dirty gardens with lots of weeding, pruning, and overgrown plants... Your Instant Box Garden works on a unique grid system so it's clean, organized, and looks amazing!
2. Kids Love Instant Box Gardening
Get the family involved with growing, cooking, and eating more fresh food -- it's easy when they love to take part.
3. It's Cheap & Easy To Set Up
You can try Instant Box Gardening no matter where you live or what materials you have access to... **even without DIY skills** and no prior experience required.
4. Even Non-Gardeners Love it
If you've struggled to do gardening because you need to bend down and do back-breaking labor just to get results, you can leave all of that behind with Instant Box Gardening.
5. You Can Grow & Eat More Fresh Food
Instant Box Gardening is the best way to **produce lots of edibles** in less space. Plus you'll be more inspired to eat what you grow because your garden is themed with different dishes and recipes grouped together in the grids for easy meals.

If you're like me, you're raring to go and want to get started planning your Instant Box Garden already...

I want to share a **great free resource to help you get your Instant Box Garden started today!**

You'll receive all sorts of tips and tricks for growing and harvesting dozens of fruits, vegetables, and herbs.

Subj: Get A Massive Veggie Harvest From A Tiny Patio

[Your Greeting],

Most patios and balconies are reserved for overflowing flower baskets and ornamental exotic plants.

Let's face it...

These displays are nice on the eyes, but they aren't going to help you:

- Improve your health,
- Cut your grocery bill, or
- Get through a crisis.

When space is tight, it may be prudent to prioritize growing **fresh, organic food** for you and your family.

If you haven't already embraced the idea of patio gardening, what are you waiting for?

[Here are the 7 key steps to turning your tiny patio into a food-producing oasis so you can get a bumper harvest.](#)

If you really want to harness the potential of your limited gardening space, I recommend checking out this [innovative crop-growing approach.](#)

It's called [Instant Box Gardening](#) and I'm thinking it's the up and coming hot trend for the 2021 gardening season!

Even non-gardeners love it because it's an **easy, step-by-step method** that takes much of the hard work out of conventional gardening.

The grid-style layout is perfect for those who are limited on space and can even be set up at an **elevated height so that caring for your garden is easier on your back and knees.**

So why not put your small space to work and make it put food on the table!
