IT'S NOT HOW YOU START, BUT HOW YOU FINISH.

What do I want to express?

Could you relate it to my subject?

How do you think you are starting the school year and how would you like to finish it?

Many of you already know each other, but we can always discover new things about others and even about ourselves. This activity is proof of that.

1. What did you discover about the others and yourself?

What are motivational quotes and why do they inspire?

Motivational quotes in English are short, emotionally charged and direct messages that seek to elicit a positive reaction in those who read them.

Let's take a look at some of them.

Don’t watch the clock; do what it does. Keep going

Success doesn’t come from what you do occasionally, it comes from what you do consistently

Failures are lessons in disguise

Confidence comes from preparation

Playing with songs

I propose a challenge: you will compete in teams. You will hear the theme tune from a programme or series, and you must guess the title in English.
