6. The land flowed with blood.
7. It was captured and bound.
8. They left the creature and fled.
9. It's name was Godzilla -- er -- Garuda
10. We start our story in Kashmir.
11. The Doctor went crazy, but you promised not to leave.
12. That bright light isn't enough, we need a lamp.
13. Dr. Pierre the Pakistanis are coming...
14. One more whack...
15. Then kaboom! and our waiter splits.
16. The doctor survived. Now look...
17. It's... The Garuda.
18. Then cave in.
19. Everyone dies -- wait only Rashid.
20. He shouldn't have stood in the avalanche zone.
21. I have found The Claw!
22. I'm not dead yet...
23. 80 meters below Bangkok.
24. Solid rock, but drill anyway. What do satellites know?
25. Con by the Americans. There is nothing wrong.
26. The drill cannot make it through this rock.
27. We're in trouble now.
28. Now, we have dino talk.
29. The military does not approve.
30. You're only half Thai, so your request is denied.
31. It is a question of belief. I was excluded my whole life.
32. My dad told stories of the Garuda, until he got sick and died.
33. I will try to convince them while you mostly foreign group explores.
34. This dino class is led by a non-Thai who doesn't know Thai very well.
35. Come back right away.
36. But, how? The bus won't leave for...
37. Helicopters were sent for you.
38. Military exercises may be trouble.
39. What is going on?

40. Half breed ...
41. The military commander isn't very nice.
42. I wouldn't follow Mr Insulting, but that's just me.
43. They were digging this tunnel see...
44. We found this....
45. WHere there is one, there should be many.,
46. Plus, my dad say they flocked.
47. In we go to find more?
48. THese military folks are confusing.
49. They do like to pose though.
50. Let the paleontologist do their thing.
51. 80 thousand years ago when this rock collapsed.
52. I can hear the ocean behind this wall.
53. If it is a cave, we're opening it right now.
54. Tim is such a poser.
55. THeY are going to blow it.
56. Mr cool has got this.
57. He flinched.
58. Guns drawn what do they expect to find?
59. We have found it...
60. The soldiers stole Dad's work. Time to do something.
61. You'd be my girlfriend if you were so boisterous.
62. You watch too many movies ...
63. Oh, you're good.
64. Don't you want to leave Leena?
65. He is praying to the Garuda. Please forgive me.
66. I remember the time with the Giant Cobra.
67. We accidently released the giant cobra, bet over it.
68. It is trouble makers like them that will cause issues.
69. Look a hand!
70. It looks like it is hibernating.
71. Don't touch.
72. Tim, your plans aren't great.
73. Leena ended up in some warehouse.
74. Electrical malfunction. Starts the heart.
75. Time was allowed to live.
76. Spare the rod and spoil the child.
77. Cool symbol on your knife man.
78. What does it mean?
79. This knife can be used against evil spirits.
80. We are different than you Americans.
81. We are the God killers.
82. I will look the other way as Garuda grabs up the soldiers.
83. Uncle was spared? Nope.

84. At 67 aer the going up or down?
85. It is not just a fossil, it is special.
86. It has escaped.
87. You're God Damned..
88. Friendly fire, taking down the whole team.
89. Like that, it's gone.
90. It would be just a little deafening in there.
91. Are you my mother?
92. Don't move or I'll shoot...
93. She is not afraid of the big monster.
94. I'm not just a nerd, I can fight too. I take it back.
95. I am glad I'm in here.
96. The door is no longer locked, and I can wander?
97. Great everyone is dead, I can walk out of here.
98. If I can't see it, it can't see me.
99. You should be used to being locked in a locker nerdboy.
100. We have entered, rock video portion of our movie.
101. Showdown between ROck Star and Garuda.
102. One claw off, only 9 more to go.
103. I've got you know...
104. We must free it. We are on its side.
105. It is scared, it just came out of hibernation.
106. The Soldiers are losing it.
107. He is giving his rousing speech. Is it working?
108. Ok. Since we're all together, we know if it bleeds, we can kill it.
109. We are going to spread splosives everywhere.
110. Darkness works in our favor, and the creatures.
111. She just missed that claymore.
112. She could blow the whole place, but currently she is missing the tripwires.
113. Now she has found them...
114. Nervous explosive guy... you know for tension.
115. Missed him by that much.
116. Where did the water come from?
117. I got even more killed. Great!
118. Sad man is sad.
119. How can you still be alive? You're selfish and don't listen.
120. You should be dead.
121. You're alive because you're not Thai.
122. I just wanted to prove my father was right!
123. This dirty shirt should make a sterile bandage.
124. Is comic relief Tim dead?
125. Nope. Tim is alive.
126. This station is for passengers, not lovers.
127. Garuda lives. Annoying security guard is toast.

128. Up Close and personal with Garuda.
129. We have always been prepared for this emergency.
130. The backup squadron does not reply.
131. Nearboy is stealing food now.
132. That sandwich was bait...
133. Tim isn't Thai, he'll be fine.
134. He's dead? Impossible.
135. My long wings means strong winds and fast takeoff.
136. They go screaming from the pickup guy.
137. Bad things happen to scammers like him.
138. Stay off the streets, but you people crowding are fine.
139. The military guy is mad.
140. We are on a top secret mission.
141. Budget, what is that about?
142. My report is, that it is fast, and we can't kill it.
143. We need a decoy...
144. Civilian girl is right, we should use a decoy.
145. Eye of the tiger time.
146. Here is the plan, we will have guns trained on you. You'll be fine.
147. It's coming, I can tell by the wind.
148. If this were Japanese, the building would be toast.
149. It knows about missiles.
150. It was quite a missile too.
151. You shot a missile at me, and now you die.
152. I thought I lost my claw.
153. That is a lot of bullets, are they doing anything?
154. Garuda ripped off its wing?
155. Throw the nail off, it has forgotten it can't fly.
156. Hold my hand and I'll pull you up.
157. You still have the claw on your foot.
158. Garuda can't fly, but it can still climb
159. Gun or girl? Gun or girl.
160. Shot in the head, and falling again.
161. Look down, then at each other, then down again.
162. It looks dead, but is it?
163. The end?
