

Dear Voters,

My name is Vikasith Pratty, and I am running for the Planning Board 3-Year team. I am a first-time candidate, but I bring a fresh perspective and a solid commitment to the community.

I have been a community resident for over five years and have always been passionate about community development and planning. I understand the issues important to our residents, and I strongly advocate for smart growth. We need to develop our community in a sustainable way that protects our environment.

I am also a strong supporter of public participation in the planning process. I believe it is essential to get input from all community members before making decisions about how our community grows and develops. I will work diligently to foster transparency, open communication, and collaboration between the board and the community. Additionally, I will work to ensure that the Planning Board's decisions are well-informed and align with the community's long-term interests.

I am committed to positively impacting the community and look forward to the opportunity to serve as a member of the Planning Board. Thank you for considering my candidacy, and I respectfully ask for your vote.

Sincerely,

Vikasith Pratty
