Designation

**Department of Computer Science and Engineering
Graphic Era (Deemed to be University)
Dehradun, Uttarakhand
July-2023**

CANDIDATE'S DECLARATION

I hereby certify that the work which is being presented in the project report entitled “**Title of the project**” in partial fulfillment of the requirements for the award of the Degree of Bachelor of Technology in Computer Science and Engineering of the Graphic Era (Deemed to be University), Dehradun shall be carried out by the under the mentorship of **Mentor Name, Designation**, Department of Computer Science and Engineering, Graphic Era (Deemed to be University), Dehradun.

Name

University Roll no1

Table of Contents

Chapter No.	Description	Page No.
Chapter 1	Introduction	
Chapter 2	Literature Survey	
Chapter 3	Methodology	
Chapter 4	Result and Discussion	
Chapter 5	Conclusion and Future Work	
	References	

Chapter 1

Introduction

(2 to 3 pages)

In the following sections, a brief introduction and the problem statement for the work has been included.

1.1 Introduction

As estimated by John et al. in [1],The detailed review of related techniques has been given in [2, 3].

Figure 1.1 Wrapper method for feature selection

Chapter 2

Literature Survey

(2 to 3 pages)

In this chapter some of the major existing work in these areas has been reviewed.

Chapter 3

Methodology

Explain your methodology using phrases, flowcharts, detailed diagrams, etc.

(2 to 3 pages)

Chapter 4

Result and Discussion

This section will contain all your results from the above methodology used.

The result could be graphs, diagrams, tables, matrices, etc.

Chapter 5

Conclusion and Future Work

This section will contain conclusion of your work. Further contains vision and ideas about future methods or new solution to your current problem statement.
