

Results Day

i) Collecting Exam Results

Candidates must receive their examination results from their centre, usually on the published Results Day.

WJEC is unable to provide or discuss results over the telephone or via email communication with candidates or parents, even if the school or college is closed. Candidates should therefore check with their school or college when and where results will be available for collection and how and with whom they can discuss any issues or concerns.

Results must not be divulged to others including local authorities and the media until after 9.30am on the relevant results day.

ii) What to expect

On Results Day, candidates normally receive a result slip showing their results. If qualifications have been taken with different exam boards, candidates may receive more than one results slip, or the school or college may create one single slip showing all results together.

At this point, results are designated as provisional; changes may be made at a later point, for example, following a centre review or an appeal.

iii) How are results displayed on a result slip?

L1/2 Vocational Awards

Results slips will show candidate results for each qualification taken within that examination series.

For the overall qualification, results will display the grade as Level 1 Pass (P1), Level 2 Pass (P2), Level 2 Merit (M), Level 2 (D) or Level 2 Distinction * (D*)

Candidates whose level of attainment is below the minimum standard will receive an unclassified (U) result and will not receive a qualification certificate.
