

Event Title: "Physics Fundamentals Live"

Date: 15/11/2024

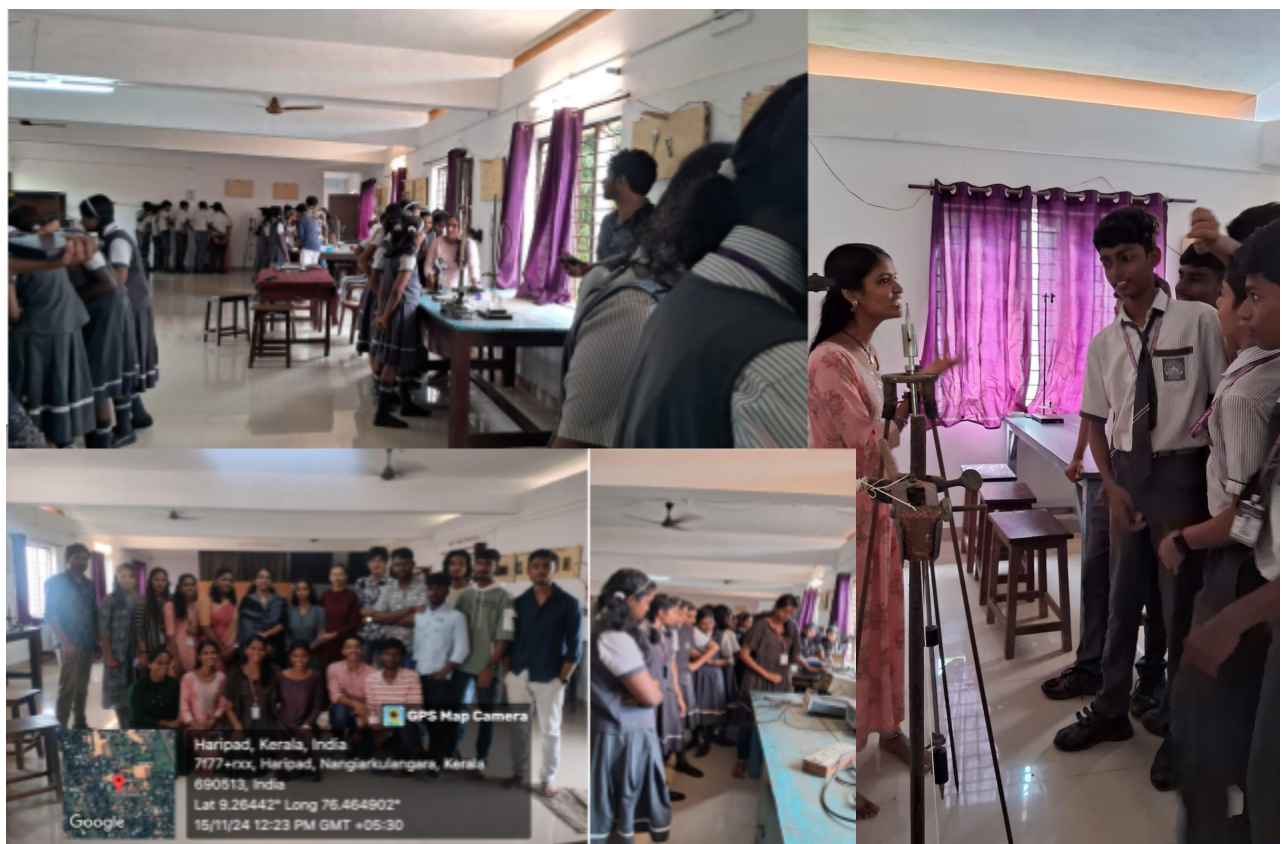

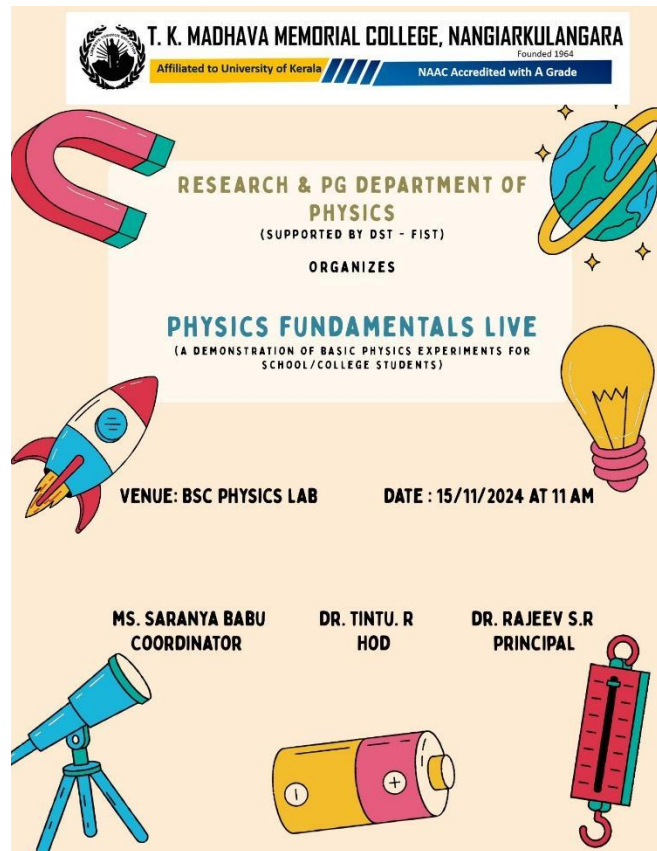

Time: 11 am

Location: Department of Physics, TK Madhava Memorial College, Nangiarkulangara

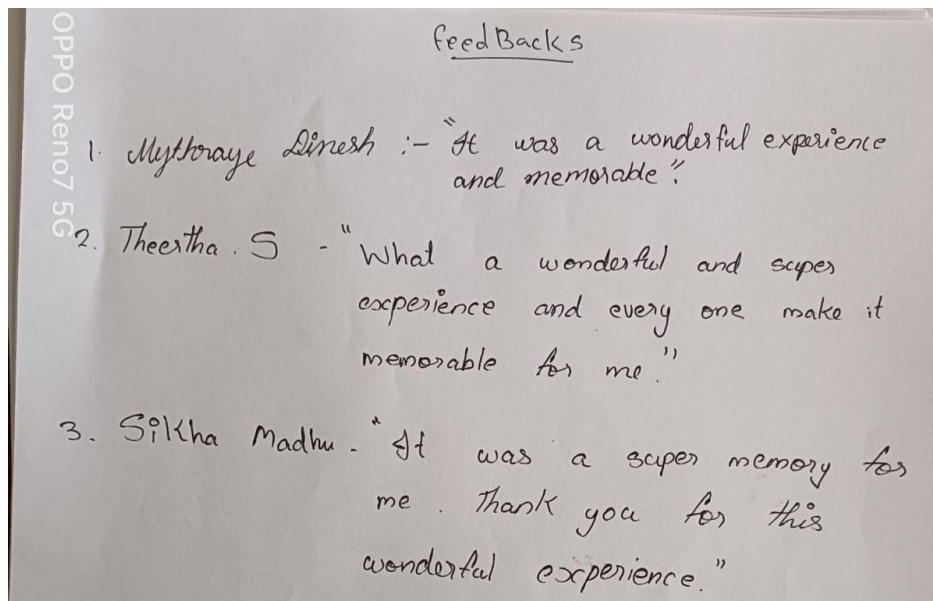

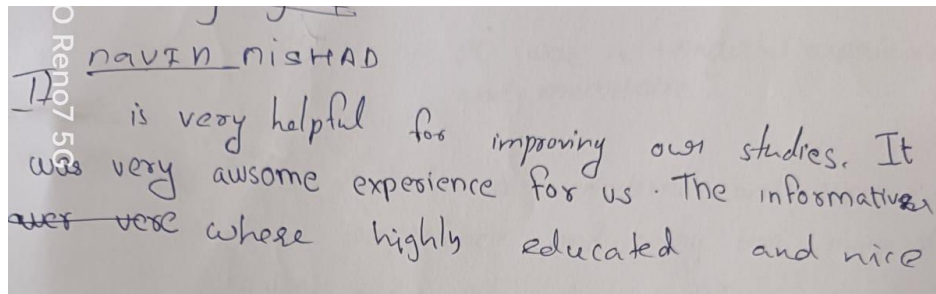

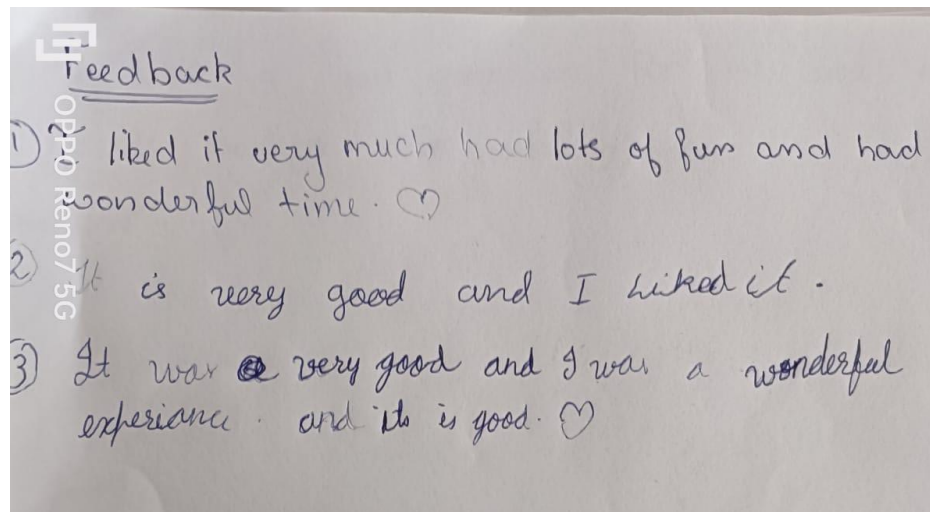

Audience: School Students (Grades 8-12)

The department of Physics TK Madhava Memorial College, Nangiarkulangara hosted to inspire and educate school students about fundamental physics concepts through interactive experiments, promoting curiosity and interest in science. To introduce high school students to fundamental physics concepts through hands-on experiments and demonstrations. To spark interest in physics and encourage further exploration of the subject. Around 100 students participated in the event. All the faculty members and BSc and MSc students participated. Interactive sessions encouraged students to participate and ask questions. Hands-on experience with materials and equipment sparked enthusiasm. The event aimed to bridge the gap between theory and practice, making physics accessible and engaging. We're thrilled with the positive response and look forward to future outreach initiatives.

The demonstration was a resounding success, achieving its objective of inspiring school students to explore physics. We plan to continue such events, fostering a love for science and encouraging future generations of physicists.
