Thank you statement:

Thank you for agreeing to participate in this study. The purpose of this project was to evaluate the effectiveness of a virtual gardening program.

Recap Statement:

In this project, you were asked to participate in 5, hour-long virtual gardening workshops. You were asked to complete 2-3 brief questionnaires in Qualtrics regarding topics you find most helpful in a gardening workshop. You were also asked to answer questions about your produce consumption and evaluate a series of gardening workshops.

Compensation/Treatment:

There was no compensation associated with the completion of these surveys. Participants may keep the gardening supplies provided.

Questions/Comments:

Please contact Dr. Kim Spaccarotella, the principal investigator, with any questions/concerns about this study. Please contact the IRB with any questions regarding your rights as research participants.
