

MONADNOCK SECURITY SYSTEM

\$1500.00

SCHOLARSHIP

This scholarship will be awarded to a student who will be enrolled in either an Associates or Bachelors Engineering degree program. This will be a 2nd semester award, contingent on a “C” or better grade average from the 1st semester.

Please fill out the Mascenic Common Scholarship Application which is attached.

Also, please submit an essay on the following:

“Explain the importance of engineering in today’s society. What do you think the industry of engineering will be like in the next ten years?”

Please return to the Counseling Center by May 1, 2025
