

October 2025

Dear Region 6 Community,

As we head into competition season, please review the following important updates and reminders:

Competition Hosts

If you plan on hosting a competition this season, please submit your flyer so it can be added to the Region 6 website and calendar.

This helps ensure athletes and coaches have access to accurate event information.

Judges

Category 3 Judges Course – Now available completely online! A great opportunity for anyone looking to get certified or renew at this level.

State Directors – If you are hosting a Category 2 Judges Education Course, please submit your course dates so they can be added to the Region 6 website and calendar.

If you are a judge that attended and passed the Category 1 certification, be sure to submit for [judge's support](#)

Athletes

Region 6 provides athlete support! If you are an athlete who has completed an international assignment within the 2024-2025 season or has been selected for an event this upcoming season, be sure to submit your athlete funding application!

Membership Reminder

Please make sure all USAG memberships, safety certifications, and background checks are up to date as we approach competition season.

This will help avoid any delays in meet registration or eligibility.

Congratulations!

World Acrobatics Society Hall of Fame

Congratulations to Steven Gluckstein on his induction into the World Acrobatics Society Hall of Fame!

Steven's impact on the sport as both an athlete and coach continues to inspire the next generation of trampolinists and tumblers across the nation.
