單元一、星星知我心 The Stars and Constellation

WHAT'S YOUR STAR SIGN

ARIES (21 March – 19 April)

People falling under this

sign are adventurous and generally brave. They can be a bit short-tempered sometimes. They are clever and confident. On some occasions, they are impatient. Their impulsiveness can be their potential enemy.

TAURUS (20 April – 20 May)

People belonging to

this sign are romantic, helpful and loyal. Yet they can be possessive about everything they have. For this reason, they might at times appear selfish. Taureans are good company and an excellent friend.

GEMINI (21 May – 21 Jun)

People belonging to this sign

are intelligent and versatile. They are spontaneous in communication and love life. Yet at times they worry too much and become too stressed about little things. They tend to be picky and very opinionated.

CANCER (22 June – 23 July)

People of this sign are gentle

and have a caring nature. They are generally not very impulsive. They are also very protective towards their loved ones. Cancers often have an imaginative and artistic side to their life.

LEO (24 July – 23 August)

Leos are generous and

open-minded. They are quite caring in nature but at times they may be egoistic and bossy. They can tend to easily lose their temper. Leos are real kings!

VIRGO (24 August – 22 September)

People falling under this sign are very analytical. They tend to think too much about things and base their conclusions on a long thought process and deep analysis. They are intelligent, reliable and good decision-makers.

LIBRA (23 September – 22 October)

People of this sign are friendly and romantic. They are balanced in nature and can keep calm in most situations. At times, they can be a bit

SCORPIO (23 October – 22 November)

Scorpios are passionate individuals with a magnetic personality. Due to their possessive nature, they become jealous quite easily. They are clever and

CAPRICORN (22 December – 20 January)

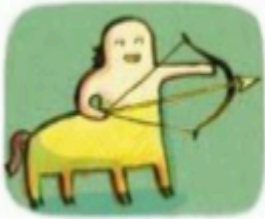

They are prudent and practical. They are also quite ambitious. Perseverance and tolerance are their greatest qualities but they can also be very

reserved and indecisive. They know how to look at things from more than one point of view.

courageous. They can be resentful, obsessive and sometimes vindictive – so be careful!

stubborn. They are generally upfront in fighting whatever gets in their way.

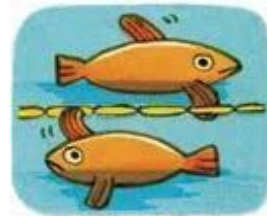

SAGITTARIUS (23 November - 20

December) They are intelligent and philosophical. They know how to lighten up any atmosphere. They are fun-loving, sociable and optimistic but sometimes their excessive optimism makes them behave carelessly. They are intelligent people with a good sense of humour.

AQUARIUS (21 January - 19 February)

They have a great sense of humour, strong intelligence and are deep thinking and intuitive. They are honest and can be very independent. For this reason, they may at times appear indifferent and distant.

PISCES (20 February - 20 March)

They are sensitive, kind and helpful. This makes them excellent friends. They tend to be a bit shy and opinions of others can easily influence them. They are not very determined or courageous. They are very idealistic and live in a world of their own!
