

Fourth Grade Supply List
In Person Learning
2021-2022

A few suggested supplies that you may bring to school if you would like to.....

Students will need a plastic pencil bag or pencil box (please no cloth) to keep writing utensil supplies in if bringing any of the below writing items. Each child will have a plastic bin to store all other supplies. Plastic will be easier to sanitize quickly.

- one of each color pocket folder (no tabs or anything else necessary) RED (Reading), YELLOW (Writing), GREEN (Social Studies/Science), BLUE (Math), PURPLE (Word Study)
- 5 wide ruled spiral notebooks, if possible related to the pocket folder colors
- pencils
- eraser tops or small pink eraser
- Small, plastic pencil sharpener (please no battery operated or plug in)
- colored pencils (eight is fine, more if you want more colors)
- markers (eight is fine, Crayola SuperTips if you want more of a selection)
- scissors
- glue sticks
- crayons (24 would be fine)
- Kleenex
- Dry erase marker and eraser
- Highlighter
- earbuds or headphones
- wireless mouse (optional but makes Chromebook use easier)
- Lysol wipes
- Disposable Masks (this may be a possibility for the fall)

Put your name on your plastic supplies container and folders/notebooks. Please limit the supplies to those on this list.

The list of supplies is just a suggestion. The supplies are not required. Some students like to have their own personal items.
