

Submitting a document to Turnitin

1. Look for and click the  icon next to the name of the assignment you are completing on your course's homepage on the eClass website.
2. On the next page you will be able to see information regarding your assignment. This information will include **Start date** (earliest date you may make a submission), **Due Date**, **Post date** (when your grade will be made available for viewing), **Marks Available** (what your submission score will be divided by to determine your score).
3. When you are ready to submit your document look at the bottom right of the page for the **Submit Paper** button. See the image below for a visual description.

4. On the subsequent page you will select your **Submission Type** and **Submission Title**. Use dropbox with the blue arrow to drag and drop your document into the assignment. Alternatively, click the dropbox to manually select your document from the computer.
5. Finally click the blue **Add Submission** button.

The screenshot shows the 'Submit Paper' form in the eClass system. The form includes the following fields and elements:

- Submission Type:** A dropdown menu currently set to 'File Upload'. A red arrow points to this dropdown.
- Submission Title:** A text input field. A red arrow points to this field.
- File to Submit:** A section containing a file upload interface. A large, colorful curved arrow (green, yellow, and blue) points from the top right towards the file upload area.
- File Upload Interface:** Includes a 'Files' section with a dashed border and a blue arrow pointing down. Below the dashed border, it says 'You can drag and drop files here to add them.' A red rectangle highlights this entire area.
- Maximum size for new files: 40MB, maximum attachments: 1**
- Add Submission:** A blue button at the bottom of the form.

At the bottom of the page, a message states: 'There are required fields in this form marked !'.
