Storyboard Planner: Personal VPOD

Introduction

- Asia Hervey
- Born in NLR, AR
- December 22, 2000
- Went to A-State in Jonesboro, AR for college
- Small family---love my nephew
- I'm not only a teacher or educator, but also a motivator and encourager **(transition into content)**

Content

- Philosophy
  - Representation for minorities
  - Warm & welcoming environment
  - Hope to become an ESL Teacher
  - Safe & judgement free zone
  - Kind words and motivation from peers
  - Participate in all activities

Conclusion

- In my classroom, technology will be used as an enhancement tool.
- Students will use technology for individual exploration, collaboration on group projects, and content sharing with peers.
- As a professional, I will use technology to make information available to students and their families
