

Joe

Business Consultant

Joe Aloï is a well-groomed and seasoned business professional with 20 years of direct sales experience. As a PEO Consultant, Joe has successfully implemented critical business strategies in helping small and mid-sized businesses effectively manage their employees while offering affordable Fortune 500 benefits.

By understanding that all businesses have different needs, he creates customized tailored solutions that allow business owners to focus on revenue generating activities by streamlining the multifaceted tasks of being an employer.

In 2011, Joe earned his MBA from St. Joseph's College. He also holds a Masters of Organizational Management. In 2016, Joe became certified as a Six Sigma Lean Green Belt (LGBC) from the Management & Strategy Institute. In his spare time, Joe enjoys golfing & fishing, but can also be found on long bike rides on hilly country roads up in the Catskill Mountains.
