

Privacy Policy

Word Search Puzzle – IQ Test respects and protects the privacy of its users. This Privacy Policy outlines how we handle user information when you use our app.

1. Data Collection

We do not collect personally identifiable information. However, we may use third-party services (such as analytics and advertising tools) that collect non-personal data, including:

Device type and system version

Anonymous gameplay statistics (e.g., session length, level progress)

Crash logs and performance data

We do not access your contacts, messages, photos, or any sensitive personal data.

2. How We Use the Data

The data collected is solely used for:

Improving game performance and user experience

Diagnosing crashes and fixing bugs

Displaying non-personalized ads

Understanding game usage patterns

3. Data Sharing

We do not sell, trade, or rent user data. Some non-personal information may be shared with trusted third-party services (like analytics or ad networks), strictly for the purposes described above and in compliance with applicable laws.

4. Children's Privacy

This app is suitable for a general audience and does not knowingly collect information from children under 13. If such data is discovered, it will be deleted promptly.

5. Security

We implement reasonable technical and organizational safeguards to protect data processed through our app from unauthorized access or disclosure.

6. Changes to This Policy

We may update this Privacy Policy periodically. Any changes will be posted on this page, and continued use of the app indicates your acceptance of the updated terms.
