

Avocado Cream Dipping Sauce

Uploaded by: Michelle Day at: www.michellestastycreations.com

Recipe from: Michelle Day

Here's what you need:

1 large ripe avocado

4 oz. cream cheese, at room temperature

1/2 cup sour cream

pinch of cilantro

pinch of salt

juice of 1 lime, start with only 1/2 if really juicy

To make the avocado cream dipping sauce place all the ingredients in a blender and blend until completely creamy.

Serve with any Mexican food. Makes about 1-1/4 cups.

Enjoy!
