

Ologist sentences

Directions for the teacher: Cut each sentence box out. There should be one copy for every partner set. I have thirty kids, so I make 15 copies. The other partner has a blank sheet of paper or a whiteboard.

In biology class, students used the latest technology to see how geology and biology work together. This got Jonah thinking about a career in paleontology.

In biology class, students used the latest technology to see how geology and biology work together. This got Jonah thinking about a career in paleontology.
