

LWMH Charging and Remissions Policy 2024-25

As of 1st September 2024, the new Music Hub geographies came into effect that saw 117 music hubs in England reduce to just 43. The new reality came about following a change of policy by Arts Council England (ACE) and Department for Education (DfE) which sees music hubs operate across larger geographic areas. RBKC has been appointed as the Hub Lead Organisation (HLO) by ACE/DfE as part of a consortium agreement across seven Local Authorities: Brent, Ealing, Hammersmith and Fulham, Harrow, Hillingdon, Kensington and Chelsea, and Westminster. This covers five existing Music Services/Hubs: Brent, Ealing, Harrow, Hillingdon, Tri-borough.

All five existing music services/hubs continue to deliver locally, but they operate under a new strategic vision and LWMH Governance Board that will guide the services towards increasingly shared provision over time. There is a lot of work to do to allow the new structure to evolve to best meet the needs of stakeholders across all seven local authorities. Our ambition is to maintain all current existing services and ensure that all our combined students, schools, teachers, and families continue to receive outstanding music education in our West London community.

All five services remain to follow their own Charging and Remissions Policies which are summarised in this document with more information available on their own websites.
