

Focus - Direct your own learning

Follow these steps to direct your learning today:

1. Open your individual Focus heading document in your Google Drive and decide on a heading you need to work on.

2. Go to our year 10 number website. Find the focus heading or question you need to work on and open the doc. [Click here to go to our year 10 number website](#)
3. Set up today's date and the focus heading in you workbook. Complete the exercises, make notes and show evidence of you learning in your book.
4. Click on the **blue links** in the focus heading document to take you to the Khan academy and online notes and exercises.
5. Once you have completed a focus heading make sure you...

Highlight with the following colours to show your progress

If you have mastered the skill highlight in this colour

If you are still struggling with the skill highlight in this colour
