a. There is a starter kit of communication materials which must be printed and placed at the arrival/departure area during the National Championship, as

indicated on the Procedural guidelines. Print files can be found in the Drive folder "useful materials" at the link:

<https://drive.google.com/drive/folders/1iWTM4GrO4fWJM0Y5ZgE39AEpFkJtaqxm?usp=sharing>

This starter kit includes:

- 4 large sails.
- 2 banners (300x80 cm).

More detailed information on this matter can be discovered in the communication manual.

It is up to you to print the materials, following the instructions provided in the communication manual. The ERICA Soc. Coop.'s graphic department offers its expertise to adapt the printing documents to more specific formats and sizes, as indicated at the application stage.

- b. Indicate size and format of the flag you would like to print to receive the adapted file. (You can attach an image indicating those specifications or link the website from which you decided to print). The files will be sent in PDF after the end of the National Committees identification. Indicate any other formats if necessary.**

- c. Description of the communication channels and materials you want to use to promote the event:**
