

Preschool 3-4 - Study Buddy Active Time **Wednesday 3:30-4:00**

Our Study Buddies are Upper School students who volunteer once a week to work with our Lower School students. This class will offer movement and fun - primarily age-appropriate outdoor games like red light/green light, song and dance parties, and scavenger hunts. These motivated volunteers submit lesson plans to the ACE Director for each session. Before being chosen for this position, they are trained by the ACE Director on mentorship and boundaries, and they are always directly supervised by ACE adults. This is our 4th year partnering with the Upper School students, and our Lower School students LOVE having a “Big Buddy” to play with and greet in school!

Kindergarten-Grade 1 - Study Buddy Dance Party **Wednesday 4:00-4:50**

Our Study Buddies are Upper School students who volunteer once a week to work with our Lower School students. So we'll put on some great music and have a great dance party with our Upper School friends. . These motivated volunteers submit lesson plans to the ACE Director for each session. Before being chosen for this position, they are trained by the ACE Director on mentorship and boundaries, and they are always directly supervised by ACE adults. This is our 4th year partnering with the Upper School students. Our Lower School students report they LOVE having a “Big Buddy” to play with and greet in school!
