Quests

Special opinion 	Go to the Sound Festival.	
Main preparations 	Interview VIP Guests at the Sound Festival.	Open the gate and interview 4 VIP Guests. Don't forget to say THANK YOU. 
Familiar avant-gardist 	Start building the Festive Stage at the Sound Festival. Build the Stall, the Corn Dog Cart, and the Lemonade Stand.	Go further, clear 4 areas with crosses, and build everything you need for the festival. You can make some useful items in the Lemonade Stand and at the Stall, and the Corn Dog Cart has a roulette inside. 
Make way for futurism!	Turn on the Generator and make the Noise Machines at the Sound Festival.	Open the gate and find Hardramble. Find and turn on the Generator for 10 Energy. Click on 4 Noise Machines and apply 5 Nails to each of them.

		
	Activate the Electric Cannon. Start the Noise Machines.	Click on the Electric Cannon and activate it for 10 energy. Apply Focus Lenses (found in pickup boxes nearby) and choose Noise Machines as targets.  
Sensitive soul 	Find Bierce at the Sound Festival.	Open the door and find William Bierce. 
Sounds of nature 	Make Field Recordings at the Sound Festival.	Explore the location to find 3 sources of sound (Bird tree, Fountain and Fire), move the recorder to the highlighted areas next to them and apply 15 energy to make recordings. 
	Mix a music track at the Mixing Table.	Click on the Mixing Table and apply 3 Field Recordings we got in the previous task. Click on the Mixing Table again and choose how to mix a music track. 
The explosive character 	Collect Fireworks at the Sound Festival. Use Fireworks to scare away the Bunch of Bandits.	Open the gate and move further. Collect 6 Fireworks in the location and apply them to the Fireworks Stand.  
Final chord 	Chase away the Bandits at the Sound Festival.	Open the gate, find 6 Bandits and chase them away with Loud Bullets (you can make them in the storage building).  
	Collect Musical Instruments.	Apply 3 Glue to each of 6 Musical instruments and collect them. 

	Place the Musical Instruments on the Festive Stage.	Go back to the Festive Stage and apply 6 Musical Instruments to it.  After completing this quest, guests will appear near the stage. More details about this are provided below.

Major goal

A musical interlude 	Decorate Music Corners.	Restore 6 Music Corners for 5 Boards each.  Reward: x2 250-energy Dynamites.

Guests, Souvenir Keychains and Treasury Gates

After completing the story quests, guests will appear near the stage asking for Souvenir Keychains (you can create 44 of them at the Stall from 1 Buffet and 10,000 Coins each).

Only 4 guests will appear at one time, not 6 as shown in the game

You will get Festival Tickets in return. You can exchange the tickets for Premium Keys and energy snacks at the Stall. You'll need Premium Keys to open the Treasury Gates in the location. You can find more premium keys on the ground while exploring the location.

To clear 100% of the location, we need to open 4 treasury gates (5 keys each) to reach the objects behind them, so you will need to find the 14 Keys on the land and make 6 more in the Stall.
