

## **Hello Tenters and RVers**

### **Tenting Areas**

Pitch your tent on Indian Point overlooking the lake, in between cabins, in the Recreation Field or woods, almost anywhere that looks good, EXCEPT:

- Indian Point: No tents within 25 feet of the lake. Avoid the fire ring.
- Indian Point: Maximum of 20 tents on due to lack of space
- Between Pinewood and the back parking lot (by Pinewood back door, lower level). This space is used by a children's group.

### **Bathrooms, Showers**

Campers may use bathroom facilities at any nearby cabin. Please enter cabins by the central doors to avoid disturbing sleepers.

### **Vehicle Access**

You can drive to the tenting areas, but you **MUST** return your vehicle to a parking lot once you have unloaded. Do not drive out onto Indian Point. No vehicles may remain in tenting areas. RVs can park by Eyeglass and have electrical hookups.

### **Information and Assistance**

To help us locate you in case of emergency, please sign up at the registration table to indicate the location of your tent or RV. In the event of severe weather, please take shelter in the nearest cabin.
