

e2L Best Practices Coaching Timeline

Clusters: is the Best Practice that will be the focus of goal setting, self-assessed on and documented in eCOACH during that coaching session. Cluster A-D are covered in coaching sessions 1-4. The order is determined through coach + coachee collaboration. The Benchmarks are by session and help determine if a coachee is showing the anticipated amount of growth.

Sessions 1-4			
Select one cluster per conversation
