District 748 Families:

Sartell-St. Stephen Schools is committed to supporting every student's academic and social-emotional growth. Our goal is for all Sartell-St. Stephen students to be equipped to work toward their goals, bounce back from setbacks, manage emotions, develop positive relationships, and make responsible decisions. To support our students individually as they strive to develop these skills, we need to gather information so we can personalize our work with each student. In addition to providing assessment tools for mathematics and reading, FastBridge also provides SAEBRS/mySAEBRS (Social, Academic, Emotional and Behavioral Risk Screener).

The screener takes approximately 15 minutes to complete. The two components are as follows:

SAEBRS (Teacher Module)

Please see each building's assessment calendar for details (<https://www.isd748.org/assessments>).

- Grade PK-2 teachers and some high school teachers will complete the SAEBRS screener 3X/year
- Grade 3-8 teachers will complete the SAEBRS screener 2X/year

The [SAEBRS screener](#) asks teachers to rate their students (Never, Sometimes, Often, or Almost Always) on 20 questions aligned to the student questions.

mySAEBRS (Student Module)

Please see each building's assessment calendar for details (<https://www.isd748.org/assessments>).

- PK-2 students will not complete the mySAEBRS screener
- Grade 3-8 students and some high school students will complete the screener 3X/year

The [mySAEBRS screener](#) asks students to rate themselves (Never, Sometimes, Often, or Almost Always) on 20 questions

Teachers use the information gathered to address classroom, schoolwide and individual student needs, including identifying students who may benefit from additional, targeted instruction and/or supports.

If you have any questions or wish to opt your child out of the screener, contact your child's school listed below:
