Three Strike System

I, MichaelGR95US are now introducing a Three Strike System, just like hour YouTube does a Three Strike System, except it goes as follows:

1. 24 Hour Suspension from Discord/Twitch chats.
2. 5 Day Suspension from Discord/Twitch chats.
3. Perma-ban from ALL PLATFORMS.

As explained before, following the above rules goes a long way to have/earn respect within the community, especially if you have a stronger sense within the community. Accidents do happen

so some instants can be overlooked with a warning. Even once your suspension is lifted, the strike will remain in effect for a total of no less than 6 months from the day of the suspension. For example, if you got One Strike on December 2nd at 3:23PM after being reported/discovered of breaking the rules, you will get a 24 hour suspension and that will be strike one so the timeline goes as follows:

- Suspension will be lifted on December 3rd at 3:23PM
- Strike will be lifted on June 3rd, 2021 at 3:23PM

Another example of after your suspension was lifted previously, should you, the user, violate the terms once again before the six months is over, will result in Strike Two. Let's say you got your Second Strike on January 17th at 4:55PM, you will get a 5 day suspension and that will result in another strike being added and the timeline will does as follows:

- Suspension will be lifted on January 22nd at 4:55PM
- Strike One will be lifted on June 3rd at 3:23PM
- Strike Two will be lifted on July 17th at 4:55PM

Once you received your Strike Three, you will be banned on ALL PLATFORMS. Which means most content will still be viewable to you, however, you won't be able to participate within that community, and making multiple accounts and being discovered about it will result in an immediate perma-ban. If you wish to be given a second chance to be part of the community, you can submit a Request to be Unban form with a fitting reason of why you should be returned to the community. However, certain instant cannot be overlooked and you, the user will continue to be perma-ban.

FOLLOWING THE RULES IS NOT ONLY A REQUIREMENT TO BE PART OF THIS COMMUNITY, IT IS ALSO THERE FOR YOUR, OTHERS, AND MY OWN SAFETY SO THAT NO ONE DEALS WITH POSSIBLE LEGAL TROUBLE AS CERTAIN INSTANTS AND ISSUES COULD RESULT IN LEGAL ACTION AGAINST YOU, WHETHER IT BE BY ANOTHER USER, LAW ENFORCEMENT, OR MYSELF, MichaelGR95US.
