Call to order

Additions to the Agenda: To be added as needed

Correspondence: None received

Old Business:

- Brief Review of SAC functions and prior year

New Business

- Election of Chair
 - Mark Downton was selected to continue on as chair
- Meeting Dates for the Year
 - Continue on with the first Thursdays of the month.
- Student surveys and delays of provincial sharing
 - The province has not yet shared the provincial student surveys that they said they would be sharing. We continue to ask for this. At the last principal meeting in September, it was asked for again. Mr. Eason will ask again at the Oct. meeting.
- Outdoor spaces-additional provincial funding
 - We will invite Andy Selig to our next meeting to show us the ideas that are coming out provincially/regionally. Until then,
- Review and receive feedback re: school start and parent meet and greet
 - People liked the format. Felt it was low stress and helped introduce new students. We will look to do the same thing next year.
- SAC funding overview and discussion
 - No requests put forward. Mr. Eason will remind students and staff of the opportunity to do this.

- SAC membership needs including community members
 - We will continue to put it out and ask for members.
