

Dear Friends Academy Community,

I am looking forward to serving you as President of the Friends Academy Parent Council for the upcoming 2024-25 school year.

The FA Parent Council is dedicated to continuing our Quaker tradition of service and community and we encourage all parents and caregivers to get involved! We believe in the collaboration of parents, faculty, and students. Any time given is much appreciated and volunteering is one of the best ways to get to know our school and community while adding value to our children's experience at FA.

Throughout the year, PC organizes many events that help us connect to each other and give back, including our annual Fall Fair, Saturday Sandwich Making Service projects, Galentine's Day Drive and Bake Sale, providing hot chocolate to our Lower and Middle School students during the wintry months, the Friends Academy annual gala, and many more.

Please join us for our first meeting on Thursday, Sept. 5th at 6:30 pm in the Kumar Wang Library. All parents and caregivers are welcome! We will have more information on our committees and ways to get involved, especially with our upcoming Fall Fair on Oct. 18-19; I encourage you to attend!

Please do not hesitate to reach out to find out how you can volunteer, ask any questions or just introduce yourself. I am looking forward to an amazing year.

All the Best,

Allie Pritti
