For those of you who just want to be kept in the loop.

You will always be ahead of the general fapping public as I release each of my audio files to them months after you've already experienced it.

- **You get Early Access!**
- Exclusive access to over 20 files to tempt you. No waiting, just lovely trances.
- Email Alerts whenever a new file comes out!

Here is a list list with links of files that are currently for patrons only.

*This only applies to audios I script and record myself. Script fills come out free when they are released, unless otherwise agreed upon with the writer.

Hypnoslave

\$10 or more per month

Welcome to a melty mind, and my minion army. At least once a month, I will make a bonus loop from one of the hypnosis files I create that month and will frequently release extra variations and versions of files exclusive to this tier and above, to give you choices in how you go down into trance with me.

- **Extra Content!**
- Hypnosis files with a **Naked** option - free of music or binaural beats, and sometimes special effects as well- so you can put your own background sounds in, or simply listen to my naked voice.
- **Bonus Loops**
- Extra versions and variations of files, for a more tailored experience under my control.
- Access to over 50 scripts from my collection, and sometimes scripts I'm currently working on
- You also get all lower rewards included as well

Hypnoslut

\$15 or more per month

Since Hypnosluts just can't get enough, and *crave* the intimacy of enjoying my voice live, Hypnosluts will also get a special patreon tier, allowing them access to exclusive live recordings each month.

You also get to vote on prompts and ideas that I will turn into wickedly fun files.

You get one vote each month at this tier, and the winning file every three months will go on the list to be made.

Alongside the release of many of my own hypnotic audios will be a custom video version with spirals included just for you, taking you deeper than you've ever been.

- **Extra Content!**
- **Voting Privileges!**
- **Video versions of my audios with spirals!**
- **Special Discord Role**
- Exclusive Live Recordings
- You also get all the lower rewards as well

Devoted Pet

\$25 or more per month

You want to be that devoted sub who gets to hear my unfinished work before everyone else, you want to be the one to proof test my hypnotic audios to please me. Get to see little special snippets behind the scenes as I work on discord, and upload pieces of audio seeking feedback. I'll treat you like my little rubber ducky to bounce ideas off of, and you will hear things that may never reach the ears of others or be posted like my finished files.

You also get double the votes each month!

- **Beta Tester!**
- Extra Vote
- Discord rewards + Exclusive discord channel
- You also get all the lower rewards as well

Worshipful Subject

\$50 or more per month

Some slaves are so devoted, they don't need anything extra.

You want nothing more than to make me happy, and to support all the devilish little plans running around in my head.

You enjoy what I do to you, and simply want to see what I come up with next, and want the pleasurable feeling that comes from knowing you were useful to your Domina.

- **My Pleasure is your pleasure**
- You also get all the lower rewards as well

Script Slut

\$100 or more per month · only 3 slots a month

At this level, once a month you can submit your own script, which I will record. It does not have to be Femdom or hypnosis. I will make one version with your name in it if requested. Preferably under 30 minutes and price does not include special effects or layers.

Please message with your script before joining this tier so it can be approved- refunds cost me money and will not be given if you join before confirming that I find your script agreeable.

- **Submit a Script**
- Optional personalised name variant

* I have full rights to the script once it is given, and may use, profit or even reject it as I see fit in perpetuity. You must have a fully formed script you yourself wrote or commissioned, or permission from the script owner.

Trance Puppet

\$250 or more per month - only 5 slots

Help enable me to spend more of my time working on unique audios and take on an editor/personal assistant to edit script fills from GWA.

In appreciation of your generosity - When signing up at this tier, send a message letting me know your name, what you like to be called, and specific fetishes and themes that turn you on. Pick one file from the provided list when you join, and I will record your name and special layers to be edited into those existing files by my new minion under my direction.

- **Pay for me to hire an editor/assistant!**
- **Personalised audio!**
- **Special discord role that you will be allowed to keep even after you leave this tier, allowing access to exclusive channels and live events**
- You also get the lower rewards as well

* You must message me beforehand to ensure your request is appropriate, at which time I will make one of the slots available to you.

Favored Pet

\$600 or more per month - only 1 slot available each month

****Does not stack with Trance Puppet or Script Slut****

Ever listen to one of my files, fallen absolutely in love with it... but just really wish this or that part was a bit different, taken out, or added in?

For you, My favored pet, I will partially re-write, and *completely* re-record one of my files.

And to make it so much more personal, this tier includes a one on one live session where I take you, *only you* down into trance using the script from favorite audio of mine - tweaked to add in your name and to make it just perfect for you.

A few weeks to a month after the live session, you will receive the finished audio recording, fully edited with special effects and layering done to your preferences.

Let me transport you to where *only I can take you..*

- **Live one on one hypnosis recording!**
- **Bespoke fully edited audio, layers and all**
- **Special discord role that you will be allowed to keep even after you leave this tier, allowing access to exclusive channels and live events**
- You also get the lower rewards as well

* You must message me beforehand to ensure your request is appropriate, and possible(improvements would not work for this as I have no script to tweak) at which time I will make the slot available to you and schedule the live recording.

*This is a one time pledge spot.
