

People's Exploration Party

The People's Exploration Party is a party supporting exploration of the world and creating strong diplomatic relations between us and other nations.

Values

1. *We should explore the world to discover new lands.*
 - a. We will support researching Sailing to get early naval units.
2. *We support cultural and religious traditions.*
3. *We work towards a strong navy.*
4. *We support a strong democracy and citizen participation.*
5. *We should work towards strong alliances with some nations.* Offensive warfare is not always bad, though.
6. *Roleplay is important.*
7. *Our ultimate goal is space exploration.*

Party Structure

1. We will have an elected leadership cabinet, who represent the party in party diplomacy. Their terms last 4 weeks.
 - a. Juuz will be the first member of the leadership.
2. We will have an elected voting organizer who holds votes on topics that aren't in this platform. Their term lasts 4 weeks.
3. We allow dual membership with other parties.
