

Art of Wheeler Terms of Service

I require payment upfront via Paypal, Cash App and Ko-Fi* but will do payment plans depending on the project. You'll still receive WIPs/Sketches to check for any missing details or changes, but the final piece will only be sent after it's all paid off. (*Some Commission Tiers I don't offer on Ko-fi due to it would conflict with their terms of service)

I can refuse a commission idea at my own discretion, but you can always send me another idea, of course.

I Will Draw-

SFW Feral* (***Ask first what you're looking for**)

Scalies/Avians (***New to drawing these so keep that in mind**)

Weapons (**Ask me in DMs**)

Watersports/Scat/General Toilet Humor Stuff

Minor Characters in adult/nsfw situations

Anthro Pokesonas* (***I will draw Pokemon, but not in a humanoid form, barring the pokemon that have more humanoid designs like Machoke**)

Complex Backgrounds/Weapons

Political/Hate Art* (***If your character's a mayor/president/etc, that's okay, just no irl people**)

Transformation*

Characters from Seth McFarlane cartoons (Not a fan and don't find the art style appealing, I MAY draw Brian from Family Guy but not in NSFW situations, ask me in DMs)

**Things I will draw in the future once I'm better at it.*

You can ask if you want my character(s) in your commission, but I may turn the proposal down if it involves things I'm not comfortable with, and it can vary on a character-by-character basis. My minor characters are NOT eligible for NSFW content, but are open for SFW stuff.

You can post your commission(s) on FA/Twitter/Itaku/Etc, but be sure to credit me and link to my socials.
