Greetings School Community,

This term has been filled with many exciting initiatives and activities throughout the school. Our dedicated parent groups have been hard at work revamping the school library, while we have been in discussions with Prince's Trust on potential whole school art projects. Some of our students will be engaging in engineering projects with Nippon Gases, attending author visits, and participating in a new afterschool STEM workshop hosted by Aberdeen Science Centre. We have also seen the start of a number of break and lunchtime clubs run by the staff, and next term we look forward to starting other lunchtime clubs such as a Lego and H&WB club.

Thank you for your continued support and dedication to the success of our students.

Conor Meehan

Acting Head Teacher.

Place2Be & Parent Smart

1. How can I support my child after a traumatic event?

Updates

- Christmas Performances – To secure your spot in our upcoming Christmas performances, kindly sign up through the link provided below. Please note that booking closes on Friday, December 8 at 12 noon.
 - Link - <https://forms.office.com/e/v0Ry8xG5Az>
- Christmas Fair – Our Christmas Fair is scheduled on December 7 from 3:15 to 5:15. Our students are working hard to prepare for the event, and we invite you to come and join us. We are currently accepting donations for our tombola event. Suggested items include chocolates, beauty products, toys, homemade baked goods, jars of jam and chutney, tins of biscuits, and other similar items. Please note that any alcoholic beverages should be left at the office and should not be brought in by the children.
- We would like to congratulate Cody Cator P7 and Georgia McGrath P5 for being nominated as our school Sports Captains. We are excited to see them lead new and exciting sports opportunities at Quarryhill School.

4. In line with the ideas gathered from our students, and with the support of our parent groups, we will be introducing a new lunchtime scootering activity. We have received a set of scooters and helmets, and we will roll out (no pun intended) this program to our P1-3 classes over the next few weeks. We hope to expand this to our older year groups soon.

Thank you and kind regards.

Conor Meehan
