

Thursday October 30

Girls 5:30

Boys 6pm

*** Senior acknowledgments prior to the start of the girl's race. I know a lot of the administration from the schools came last year. I would tell the parents/admin to be here at 5pm to be safe. Since it's a large number of schools, it's difficult to wait. So, everyone please stress the importance of punctuality.

FOR YOUR BOOKKEEPER (PLEASE USE THIS EMAIL AS AN INVOICE)

\$125 per gender, or \$250 for both Boys/Girls Teams

This event will again take place on the campus of St Lucie West Centennial on our athletic fields in the back. Parking will be in our student parking lot. I think all of the teams participated in our meet earlier in the year. We will have the same exact course and format.<P>

Tickets for the event are \$6 and can be found on Hometown Tickets or at the link below
