

# DGPL Highlighted Programs

Feb - Mar 2026 | [Find more programs and register](#)

## Scratch Coding: Game Design

Grades 2 - 5

Tuesday, March 3

4 - 5 p.m.

Use MIT's Scratch platform to create video games.

## Family Lego Build: Green Scenes

Thursday, March 5

7 - 8 p.m.

What can you make with our Legos, a theme, and your imagination?

## Pokemon Fun

Grades 1 - 8

Saturday, March 7

3 - 4 p.m.

Trade cards, play games, talk with fellow fans, and maybe win a new pack of cards!

## Bling It!

Grades 5 - 8

Monday, March 9

4:30 - 5:30 p.m.

Add sparkle to your stuff with gems. Come ready to coat objects with glittery gems.

Bring an object that needs some sparkle or coat one we provide.
