7. Discussion of Items:
 1. **Girls Basketball *Wrap-Up and Recap***
Drew received Both boys and Girls Basketball from SChools/commissioners officials and lots of feedback. 3 topics are below
 - a. **Undershirts: SOMSAC Bylaw vs. HS Regulation** Together, we'll look at the big picture, but also discuss if there is anything to adjust/stay as is.

Bylaw reviewed- 13.If T-shirts or spandex tights are worn they must be a solid color (Black, White, School color) or be the same color of the main jersey color worn.

Feedback was given and members didnt' want to change bylaws and wanted to today and the feeling was "let them play" vs restrict access due to an undershirt and officials keeping kids from playing.
 - b. **Special Circumstances:** Do we need a committee to review special circumstances per season/year? [General Bylaws, #23 reference](#)

Members reviewed the bylaws and then asked about what to do.

Members suggested that we may need a committee to review the bylaws to try to get girls sports numbers up and ensure that we have fair matchups. review all the special circumstances and also thought we should consider skill vs grade level.

Drew reiterated that we might want to look at best placement vs grade.

Jay from Scenic suggested a committee look at what is best for kids to keep numbers up and prep for HS.

- c. **Varsity/JV Model:** Do we keep current “Grade level and backfill” model for Large/Mid or as a group, do we look at taking on the Varsity/JV model this model(fill teams based on skill level, not grade level)

See above

2. Wrestling Season *Wrap-Up and Recap*

Highlight girls who are going to be wrestling at “boys” district.
